Important News & Notes:

AFTERNOON DISMISSAL PROCEDURES:

Please remember the first three parking areas closest to the Armory are for single-child car-riders only (cars containing one MSCS student). These areas are labeled Section "A" on the dismissal diagram. If all of these spaces are filled, you will need to park in one of the Section "B" areas, but be aware that you will be dismissed by the teacher on traffic duty with those cars in Section "B".

Triple parking is allowed in the first row/section of "singles only" (section closest to the Armory) rather than the 'double parking' allowed in all other rows. Please be advised that if parking in this area, you agree to be ready to leave on time when it is your turn. Should you miss your turn, you will be required to wait to leave until the very end of the dismissal process.

The areas labeled Section "B" are for multiple-child car-riders (cars containing two or more MSCS students)

Staff on duty will indicate when cars are to begin to move out of the parking area as well as which direction they are to move. Please wait until you are directed to move by the staff.

Please do not park in the teacher's lot (closest to the school)

Grade Level Reminders:

GRADES K-8

HASA Happenings:

Christmas at Slade – Planning Committee

December will be here before we know it, so we are calling on volunteers for our annual Christmas at Slade event.

Christmas at Slade will be on Saturday, December 7, 2024. We moved the event to Saturday per feedback from attendees. This event will include a catered hot breakfast, Santa and Mrs. Claus, basket raffle, reindeer games, Santa's Workshop, Bake Sales, Arts and Crafts, etc. To make the event better than ever, we need the help of parent volunteers.

If you are interested in helping, please email HASA@msladeschool.com. In addition to the day of volunteers, we are looking for parents/guardians to help chair the different areas of the event. Also, if you have older children who need service hours for high school, this event can help fulfill that requirement!

Keep an eye out in the newsletter for future meeting dates.
